

CONNECTION FAMILY

The Family Connection Program is during the two-day Lobo Orientation session. This program is for parents, grandparents, guardians, and other family members who have a freshmen student starting at UNM.

Please visit nso.unm.edu and click on "Family Connection" for more information.

10	August 4-5	Tue/Wed
11	August 11-12	Tue/Wed
12	August 18-19	Tue/Wed

100% of parents recommended the program last year.

- Comments from 2008 Family Connection Attendees -

"Family Connection exceeded my expectations. I loved all the presentations and the fact that the parent perspective of college is focused on as well as the nuts and bolts of the process."

"I feel a lot more informed about things and understand what I as a parent need to do to help my son be successful."

"I never went to college and was never really informed about college matters or concerns. I now feel that I do have a connection and understanding about college life and expectations. I feel that I am now connected with UNM!"
