NSO...*TO-GO!*

Online Consultation

To-Go sessions will feature virtual tabling events through our Vfairs Technology. UNM Departments will have the ability to do Live Online Consultations with participants.

PREPARING FOR DISCOVER UNM FAIRS

Discover Fairs provide an excellent opportunity to showcase your department or program to incoming students. Here are some tips to ensure you make the most out of the event:

- Show your brand: Bring a tablecloth representing your department or program.
- Dress the part: Wear your program gear, such as a polo or shirt, to represent your department professionally.
- Come prepared: Bring enough flyers, pens, marketing materials, candy, or promotional items to distribute to students.
- Protect yourself: Wear sunscreen and bring a hat, as Discover Fairs are often held outdoors.
- Engage actively: Stand if possible to engage with students effectively.
- Tables & chairs will be provided for you at the event.
- Keep the environment conducive to conversation by avoiding loud music or sounds.
- Stay behind your booth to assist students and answer any questions they may have.
- Wrap up conversations promptly when NSO staff calls for students to move to the next session or activity.

Additional Requirement for Pop-Up Tents:

Secure your tent: If you're bringing a pop-up tent, you must have sandbags & fire extinguisher at all times. (Per UNM policy)

Packet Material - Participant Swag Bag

Our NSO team can place your fliers, brochures, & any other marketing materials in our student swag bag. By sharing your marketing materials, our office will insure that every incoming student & guest will receive your materials. Please plan accordingly you can choose to have your materials be shared with First Year Students, Transfer Students, Family & Guests or all three.
