- Show your brand: Bring a tablecloth representing your department or program.
- Dress the part: Wear your program gear, such as a polo or shirt, to represent your department professionally.
- Come prepared: Bring enough flyers, pens, marketing materials, candy, or promotional items to distribute to students.
- One table & two chairs will be provided for you at the event.
- Engage actively: Stand if possible to engage with students effectively.
- Keep the environment conducive to conversation by avoiding loud music or sounds.
- Stay behind your booth to assist students and answer any questions they may have.
- Wrap up conversations promptly when NSO staff calls for students to move to the next session or activity.
